

### **Extra Curricular**

The Two full time members of the PE Department have kindly volunteered to give up to four lunch times in a week for extra curricular activities as well as after school activities. Mr Pete Curati also runs a Cross Country / Triathlon Club and Sarah Aldcroft runs an After School Dance Club. Through Sports Partnership funding we have Alan Clarkson running two After School Badminton Clubs

Hall of fame is a reward system, which we use to monitor the amount of pupils taking part in extra curricular activities in school and also school representation. 3 points are awarded for attending a practise and 5 points for representing their school team. At the end of the year the top boy and top girl in years 7 - 11 are awarded a trophy for their efforts.

In addition to these lunchtime activities the staff in the department also put on a number of fixtures for the different teams.
