Dear Parent/Guardian

## Re: Road Safety

Road safety is always an issue for any parents in regards to their son or daughter's journey to school. We are aware that road safety is of a particular concern surrounding our school campus.

To minimise these concerns and reduce the risk of incidents we have developed a road safety team which is to be led by our Sixth Form leadership team.

We are asking parents and students to support us by simply using the traffic lights on **Bury Old Road**. The Sixth Form road safety team will be there to direct students to the traffic lights to avoid any endangerment on the road. Please support us in this important issue.

If you would like to help (around 8.30am or 3.45pm) for around 15minutes, please contact the high school office. If there are any other concerns or queries please report them to the school office.

Thank you, and your cooperation is appreciated.
