

Guidance notes for year 7 Jewish Studies Winter 2009

You will be tested on the entire workbook of Adam and Chava

You will need to know:

1. The order of creation, stating what was created on each of the 7 days.
2. The main similarities and differences between mankind and animals, using textual proofs from the Torah.
3. The story of the first sin involving Adam, Chava and the snake, broken down into sub-headings.
4. Details of the punishments given to Adam, Chava and the snake and understanding of the reasons for these punishments.
5. Finally, you will be tested on the Festival Curriculum, covering the month of Elul, Rosh Hashanah, Yom Kippur and Succot.
