

Maths Teacher

Contract: Part-time

Salary: Teacher Pay Scale

Start date: Immediate

Applications will be processed on receipt.

We are looking to appoint a part-time maths teacher for 2 hours a day, 3 days per week, who has a real passion for their subject and is equipped with the skills to maximise outcomes for pupils across KS3.

This is an excellent opportunity for a teacher at the end of their career or is looking for the next step in their career and can effectively demonstrate their ability to develop teaching and learning strategies across a department, engage pupils both inside and outside the classroom and consistently show strong student outcomes.

The governors wish to appoint an enthusiastic, inspiring and motivated teacher, with excellent communication, interpersonal, and organisational skills who is committed to achieving the highest standards.

The King David High School is an academically successful, Jewish school, where students perform "well above average", with the highest GCSE Attainment 8 and A Level progress of Manchester state providers (Ofsted Compare Schools 2025). We welcome applications from teachers of any faith or none.

The school's mission is to provide academic excellence in a friendly and supportive environment, where each child is valued and encouraged to reach their full potential in terms of academic achievement, creativity and personal development.

Ofsted - July 2026

- ✓ **STRONG** judgements for achievement, 6th form provision and personal development

- ✓ Pupils develop deep knowledge and skills across the curriculum. Pupils consistently achieve above national averages including disadvantaged and pupils with SEND. Pupils, including those who face other difficulties in their lives, develop and secure the important knowledge they need in reading, writing and mathematics
- ✓ Students, including those who are disadvantaged, achieve highly and above national averages in their examinations. Students access a vast array of wider opportunities. They embrace opportunities to further equip themselves for aspirational next steps.
- ✓ Students in the sixth form strive towards academic excellence achieving impressive A-level results with a significant number going on to well established universities
- ✓ The programme for personal development and wellbeing is far reaching and thoughtfully tailored to the needs and contexts of pupils. A well-considered curriculum for personal, social, emotional, health and relationships education helps pupils understand how to keep themselves safe and healthy, including online.
- ✓ Pupils receive excellent care and support and value the wraparound care of the pastoral team - they know they can seek guidance within any worries.
- ✓ The school has an eclectic breadth of enrichment activities on offer and all groups of pupils participate well.
- ✓ Leaders are especially considerate of staff wellbeing and workload and staff feel valued and part of a team. Improvement has been relentless.

"Working at King David I have realised the importance of a strong school community which brings people together creating a supportive environment where every student can grow, learn, and feel valued."

We are committed to safeguarding and promoting the safety and welfare of children. Successful applicants will be subject to an enhanced Disclosure and Barring check.
