The King David High School is an academically successful, Jewish school, where students perform "well above average", with the highest GCSE Attainment 8 and A Level progress of Manchester state providers (Ofsted Compare Schools 2025). We welcome applications from teachers of any faith or none.

The school's mission is to provide academic excellence in a friendly and supportive environment, where each child is valued and encouraged to reach their full potential in terms of academic achievement, creativity and personal development.
