

Geography Teacher and BTEC Early Childhood Development

Contract: Part-time Maternity Cover (0.8 of a timetable)

Salary: MPS

Suitable for ECTs

Start date: June 2026

Closing Date: Thursday 19th March 2026

We are looking to appoint a Geography and BTEC Early Childhood Development teacher who has a passion for their subject and is equipped with the skills to achieve the best possible outcomes for their students up to GCSE level with the possibility of A level teaching for a suitably qualified candidate.

The school has a very successful Geography department which achieves excellent results at both GCSE and A level.

The governors wish to appoint an enthusiastic, inspiring and motivated teacher, with excellent communication, interpersonal, and organisational skills who is committed to achieving the highest standards.

The King David High School is an academically successful, Jewish school, where students perform "well above average", with the highest GCSE Attainment 8 and A Level progress of Manchester state providers (Ofsted Compare Schools 2025). We welcome applications from teachers of any faith or none.

The school's mission is to provide academic excellence in a friendly and supportive environment, where each child is valued and encouraged to reach their full potential in terms of academic achievement, creativity and personal development.

We are committed to safeguarding and promoting the safety and welfare of children. Successful applicants will be subject to an enhanced Disclosure and Barring check.

Application forms and further details are available from Mrs Finn at the school office.

- ✓ Students' mutual respect, and their willingness to help each other out, underpins the strong feeling of community at The King David High School.
- ✓ Students are taught to be optimistic about their futures. They learn how to find solutions to the challenges that they may encounter.
- ✓ Students, and students in the sixth form, benefit from a rich, broad curriculum that sets them up well to accomplish their future goals. Students enjoy their learning. Most students live up to their teachers' high expectations of achievement and attain strong academic outcomes.
- ✓ Students in the sixth form achieve impressive A-level results.
- ✓ Students extend their skills and develop their independence through participating in a wide range of extra-curricular clubs, including orchestra, basketball and athletics. Students make an active contribution to the local community.
- ✓ Senior leaders have been instrumental in bringing about considerable change to address the previous weaknesses at this school. Their drive for improvement has been relentless.
