

# KING DAVID HIGH SCHOOL SINGLE EQUALITIES POLICY

## INTRODUCTION

This equalities policy is an attempt to amalgamate all the equalities legislation into one single equality policy for King David High School.

## STATEMENT / PRINCIPLES

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At King David High School, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other of the protected characteristics (Single Equalities Act 2010).

## POLICY COMMITMENTS

### Promoting Equality: Curriculum

We aim to provide all our pupils with the opportunity to succeed. To achieve this we will ensure:

- Curriculum planning reflects a commitment to equality;
- The curriculum prepares pupils for life in a diverse society and uses opportunities to reflect the background and experience of pupils and families in the school;
- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality;
- The promotion of attitudes and values that celebrate and respect diversity and challenge discriminatory behaviour and language wherever it occurs;
- The use of images and materials which positively reflect a range of cultures, identities and lifestyles.

### Promoting Equality: Achievement

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- It is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in achievement;
