TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2023

The Governors present their annual report together with the financial statements and auditor's report of the charitable company for the 1 September 2022 to 31 August 2023. The Annual report serves the purposes of both a Governors' report, and a Directors' report under company law.

The trust operates a secondary academy and sixth form for pupils aged 11 to 18, primarily serving a catchment area in North Manchester. It had a roll of 783 in the school census in October 2022.

The trust operates an admission policy in order to fulfil its objectives as per the "Objectives and Aims" listed below.

Full details of the admission policy can be found at <http://www.kdhs.org.uk/applications.html>.

Since the academy qualifies as small under section 382, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

Structure, governance and management

a. Constitution

The academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Articles of Association is the primary governing document of the academy. The King David High School (The Academy) was formed on 25th July 2011. The Academy took over the management of The King David High School on 17th August 2011.

The Trustees of The King David High School are also the directors of the charitable company for the purposes of company law.

Details of the Trustees who served during the year, and to the date these accounts are approved are included in the Reference and administrative details on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Governors' indemnities

In accordance with normal commercial practice, the Academy has purchased insurance to protect Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. The insurance provides cover of up to £5,000,000 on any one claim.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

Structure, governance and management (continued)

d. Method of recruitment and appointment or election of Governors

Foundation governors are appointed by The King David Schools (Manchester) Charitable Trust, normally for a term of 4 years. In addition, there are parent governors who elected by parents.

The Articles of Association require there to be a minimum of 3 governors to be responsible for the management of the Academy. The Articles of Association contain provisions for the appointment of additional governors including staff governors and parent governors. There is no maximum number of governors.

The Governing Body comprises 16 Governors, including the Headteacher, 1 Parent Governor and 14 Foundation Governors.

e. Policies adopted for the induction and training of Governors

New Governors have induction training and support available to them, via the Clerk to the Governing Body and through training courses provided by the Local Education Authority.

The board undertakes an annual skills audit of all trustees which are then collated into a skills matrix. This enables the board to identify any gaps in knowledge or experience and enables targeted training or the recruitment of further trustees to remedy any deficiencies.

f. Organisational structure

The structure consists of a number of levels: the Members, Trustee of King David Schools (Manchester), Governors and Senior Leadership Team. The aim of the management structure is to devolve responsibility and encourage involvement in decision making at all levels.

The Trustee of King David Schools (Manchester) Trust, KDS Trustees Limited is responsible for the overall direction, religious content and appointing its foundation governors. This Trust is controlled by the Directors of the trustee company (the KD Foundation), Joshua Rowe (Chair), Andrew Berkeley, Danny Lopian and Stephen Elias. The Trustee Company is responsible for the appointment of Foundation Governors and the Articles of Association may not be amended without the agreement of the Trustee.

Members of the King David High School Academy are the subscribers to the trust's memorandum of association. The current Members are Joshua Rowe (Chair), Steven Wiseglass, Danny Lopian & Gidon Stemmer. These same individuals are also the Directors of the Academy under company law.

The Governors are responsible for setting general policy, adopting a Strategic School Development Plan and setting the budget. They also monitor The King David High School by the use of financial reports and examination results and make major decisions about the direction of The King David High School, capital expenditure and senior staff appointments.

The School's Senior Management Team control The King David High School at an executive level implementing the policies laid down by the Governors and are accountable to them for the performance of the school.

The governors have sub-committees responsible for specific areas Curriculum & Standards, Finance & Audit, SEND & Safeguarding, School Performance Monitoring, Kodesh (Jewish Studies). Each sub-committee has its own terms of reference and the governors review the remit of the sub groups and the frequency of meeting. The Finance & Audit Committee meet at least once per term and the other committees meet as required.

The Full Governing Body meet at least once per term. The Headteacher and chair of governors are in regular

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

Structure, governance and management (continued)

contact. Governors receive regular reports relating to the financial position and are provided with other relevant reports relating to matters at the School. GovernorHub is used to maintain effective communication between governors and as a central point for all FGB and sub-committee minutes and documentation relating to these. Where urgent matters arise, additional meetings are held. Governors are also encouraged to visit the School at any time to meet with Headteacher, SLT, other employees, pupils and / or simply to observe aspects of the school.

g. Pay policy for key management personnel

The pay policy for key management personnel is in accordance with the school Pay Policy and national scale.

Objectives and activities

a. Objects and aims

The principal object and activity of the Charitable Company is the operation of The King David High School. The King David High School's principal activity is the provision of secondary school education with a designated Jewish religious character (in accordance with the religious authority of the Chief Rabbi of the United Hebrew Congregation of the British Commonwealth) offering a broad and balanced curriculum.

In accordance with the Articles of Association, the charitable company has adopted a "Scheme of Government" approved by the Secretary of State for Education. The Scheme of Government specifies, amongst other things, the basis for admitting pupils to the Academy and that the curriculum should comply with the substance of the National Curriculum.

The main objectives of the Academy during the period ended 31 August 2023 are:

- Academic – The School aims to achieve the highest academic standards and ensure that every pupil realises their full potential.
- Welfare – The school has a warm and caring approach and aims to ensure the well being and happiness of every child.
- Religious – The school promotes the values, standards and discipline of the faith. It provides a strong Jewish education which imbues children with the knowledge of, and pride in, their heritage and identity.

The excellent results that the School achieves as reflected in the published Government tables is testimony to the fulfilment of the Academy Trust objectives.

b. Objectives, strategies and activities

The objectives of the school are to provide the highest quality of education for each and every child, whilst maintaining the warm and welcoming atmosphere of the school and enhancing the pupils' knowledge of, and pride in, their faith and tradition.

c. Public benefit

In setting our objectives and planning our activities, the Governors have given careful consideration to the Charity Commission's general guidance on public benefit.

THE KING DAVID HIGH SCHOOL

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

Strategic report

Achievements and performance

a. Key performance indicators

The Academy is committed to observing the importance of performance indicators, to ensure that it continues to strive for both educational and financial excellence.

In November 2021 the school was inspected by OFSTED and found to be inadequate, as a consequence, the school was placed in a 'category of concern' and issued with a termination warning notice by the Regional Schools' Director. A further OFSTED section 5 inspection which took place in June 2023 found the school to be 'good' in all areas with the exception of 'behaviour and attitudes' which were deemed as 'requires improvement'. The school's overall OFSTED category is currently 'Requires Improvement'. It is expected that the current 'termination warning notice' will be replaced with a 'notice to improve' early in the new year following a scheduled strategic conversation with the Regional Schools' Director.

The Academy is also monitored through the completion and submission to the ESFA of

- The annual accounts return;
- Budget Forecast Return outrun
- Budget Forecast Return
- Accounts Return.
- The annual financial Management and Governance Evaluation.

The Governors received reports on the financial performance & management at each meeting. Key information reported includes:

- Budgets
- Income and expenditure
- Cash Flow

Other key non financial performance information includes:

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

Strategic report (continued)

Achievements and performance (continued)

b. Going concern

After making appropriate enquiries, the board of governors has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future.

To mitigate the impact of the reduction of funding from ESFA upon which the academy is heavily reliant, the academy is attempting to derive income from alternative sources. Considerable focus and investment is placed on maintaining and managing key relationships with the ESFA.

In assessing going concern the Governors have considered the effects of the war in Ukraine. This has had an impact on the rising energy prices, which have been factored in when preparing budgets and forecasts. Funding from the ESFA has been received as planned and this was supplemented by donations from King David Schools (Manchester) and other extremely generous donors.

The school engaged a School Resource Management Advisor (SRMA) in the summer term to identify ways in which the financial resources of the Academy can be utilised in a more effective manner, including opportunities to make cost savings. The school's leadership are looking to implement many of the recommendations of their report in this school year. The new post of School Business Manager has been created this academic year with the aim being to allow funding to be spent more effectively.

The Governors have received an indication of intended support from the Trustees of the school's charity

The Governors, in conjunction with the Charity Trustees, are considering a number of fundraising opportunities to recover the deficits going forward. In addition, the governors will review the cost base in the medium term.

During the period, the Department for Education issued the academy with a termination warning notice. At the date of signing the financial statements, this notice remained in place and there is therefore uncertainty over the future funding of the Academy until such an event as the warning notice being withdrawn. The Governors have a reasonable expectation that the necessary actions are being taken for the notice to be withdrawn. The trust understands that the termination warning notice is likely to be replaced with a 'notice to improve' after representatives have met with the Regional Schools' Director in the New Year. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements, but a material uncertainty does exist.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

Strategic report (continued)

Financial review

a. Financial review

The main sources of income are from ESFA (GAG) and from Manchester City Council for Block Funding.

During the current year the Academy has had a total income of £5,913,137 (2022: £5,082,633), (excluding the rental donation and capital grants) of which £4,635,153 (2022: £4,474,263) was from ESFA (GAG) and total expenditure of £5,784,888 (2022: £5,909,791) (excluding depreciation, rental expense and LGPS pension adjustments). As at 31 August 2023 reserves excluding restricted fixed asset fund and pension fund were £157,079 in comparison to £177,865 as reported in the 2022 financial statements.

b. Reserves policy

The academy has a target level of free reserves set to be just below £1 million of restricted income which equates to 3 months expenditure by the Academy. The academy has free reserves £50,079 (2022: £177,868).

In order to reach the target level of reserves, The Governors, in conjunction with the Charity Trustees, are considering a number of fundraising opportunities to recover the deficits going forward. In addition, the governors will review the cost base in the medium term.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

c. Principal risks and uncertainties

The Academy keeps up the system of internal control, including financial, operational and risk management which is designed to protect the Academy's assets and reputation.

A risk register is maintained at the Academy level which is reviewed at least annually by the Governors and more regularly when necessary. The risk register identifies key risks, the likelihood of these risks occurring, their potential impact on the academy and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system.

This is supported by an action plan which sets out a set of procedures to follow if risks on the risk register occur.

Outlined below is a description of the principal risk factors which may affect the Academy. Not all factors are within the Academy's control. Other factors besides those listed below may also adversely affect the Academy.

Government Funding

The Academy is reliant on continued Government funding through the ESFA. Over the past 7 years, the government has slashed the funding available to schools of excellence, such as King David – diverting funds instead to support failing schools. As a result in 2022/23, the government funded less than 75% of the school's needs. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or in the same terms.

This risk is mitigated in a number of ways:

- Tight controls on expenditure with cuts (which do not affect education) wherever possible;
- Funding is derived from the charity/foundation who raise money to cover the school deficits;

The financial statements report the share of the pension scheme deficit on the Academy's balance sheet in line with the requirements of Financial Reporting Standard 102. This deficit relates to non teaching staff who are members of Greater Manchester Pension Fund. At August 31 2023 the surplus amounted to £406,000 (2022: surplus of £227,000). The surplus has not been recognised in the financial statements as this is not considered to be recoverable.

The pension scheme liability is an ongoing liability which is not expected to materialise until the retirement of the employees in the scheme. The Academy makes contributions to the scheme on behalf of its employees.

During the period, the Academy made contributions of £62,000 (2022: £67,000). These contributions are determined by the scheme's Actuaries and are designed to eliminate the deficit over the estimated future working lives of the employees in the scheme.

d. Investment Policy

The trust did not make any investments in the 2022-2023 financial year and does not expect to for the foreseeable future.

Fundraising

The academy had no fundraising activities requiring disclosure under the provision of the Charities (Protection and Social Investment) Act 2016.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2023

Plans for future periods

The academy will continue to strive to achieve the highest academic standards, ensuring that every pupil realises their full potential. It will also maintain its efforts to ensure the well being and happiness of each and every child.

Disclosure of information to auditor

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 14/12/23, and signed on its behalf by:

 14/12/23

Mr A Berkeley
Trustee

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT

Scope of responsibility

As Governors, we acknowledge we have overall responsibility for ensuring that The King David High School has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Governors, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The board of Governors has delegated the day-to-day responsibility to the Headteacher, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The King David High School and the Secretary of State for Education. They are also responsible for reporting to the board of Governors any material weaknesses or breakdowns in internal control.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of trustees' responsibilities. The board of Governors has formally met times during the year.

Attendance during the year at meetings of the board of Governors was as follows:

Trustee	Meetings attended	Out of a possible
Mr J Dover, Chair	4	4
Mr A Berkeley, Vice Chair	3	4
Mr J Rowe	4	4
Mr A Saipe	0	4
Mr C Glaskie	3	4
Rabbi D Walker	2	4
Mr D Lopian	1	4
Mr G Stemmer	1	4
Mr L Fruhman	1	4
Mrs M Maslin, Parent Governor	3	4
Mrs M Rowe	4	4
Mrs S Gottlieb, Parent Governor	2	4
Mr J Dalziel, Headteacher	4	4
Mr S Kaye, Treasurer	4	4
Mrs S Pinkus	4	4
Mrs S Rosenberg	3	4
Mr A Fruhman	4	4
Mr R Neumann	4	4
Mrs S Fagelman	3	4
Mr G Singer	3	4

The governing board has determined that is it able to convene on a termly basis and maintain effective oversight. In addition to these meetings, the finance committee aims to meet at least three times a year whilst receiving monthly reports relating to the financial position and, from time to time, are provided with other relevant reports relating to matters at the School. Other subcommittees also meet throughout the year as required.

Every year, the Chair requests all governors complete Declaration of Pecuniary Interest forms so as to ensure that there are that no relevant party is involved or benefits from any actions undertaken by the School and that no conflicts of interest occur.

The governing body maintains oversight of funds through the control mechanisms in place (approval of every invoice) and through the scrutiny of the Treasurer and through controls via the Finance Sub-committee, which meets regularly throughout the year.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money

The Governors (through the Chair, Treasurer, Accounting Officer and the Financial Administrator) have responsibility for ensuring that the academy delivers good value in the use of public resources. The accounting officer understands that value for money refers to educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The Governors consider how the academy's use of its resources has provided good value for money during each academic year.

The Governors for the academy has delivered improved value for money during the year by:

- maintaining the tight control over expenditure
- efficient use of staff
- continuing to prioritise scarce resources to teaching (as opposed to Administration)

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The King David High School for the year 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of Governors has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Governors.

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Governors
- regular reviews by the Finance and General Purposes Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- identification and management of risks

The Board of Trustees has decided to employ One Education as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included:

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework (continued)

The subject for this year's internal audit was SEND funding and spending. The auditor's report has been received (although has not yet been finalised). The school's management are currently acting on the findings of this report.

On an annual basis, the internal auditor reports to the board of Governors through the finance committee on the operation of the systems of control and on the discharge of the Governors' financial responsibilities.

Review of effectiveness

The Governors have responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.
- the work of the external auditor;

The Governors have been advised of the implications of the result of their review of the system of internal control by the finance committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the Board of Trustees on and signed on their behalf by:

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of The King David High School I have considered my responsibility to notify the academy board of Trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement in place between the academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy board of Trustees are able to identify any material irregular or improper use of all funds by the academy, or material non-compliance with the terms and conditions of funding under the academy's funding agreement and the Academies Financial Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Trustees and ESFA.

Mr J Dalziel

Accounting Officer

Date: 19.12.2023

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2023

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Trustees on ^{14/12/23} and signed on its behalf by:

Mr A Berkeley

Mr J Dalziel

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE
KING DAVID HIGH SCHOOL**

Opinion

We have audited the financial statements of The King David High School (the 'academy') for the year ended 31 August 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 1.2 in the financial statements, which indicates that there is uncertainty of the future funding of the Academy as a result of receiving a termination warning notice from the Department for Education and a funding requirement to be met by King David Schools (Manchester). This uncertainty will remain until such a point as the warning notice being withdrawn. As stated in note 1.2, these events or conditions, along with the other matters as set forth in note 1.2, indicate that a material uncertainty exists that may cast significant doubt on the academy's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the Governors' assessment of the academy's ability to continue to adopt the going concern basis of accounting included review of forecast income and expenditure with consideration of management assumptions, as well as assessment of the actual Academy trading figures that have occurred since the year end, and the comparison of these figures with earlier forecasts.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE
KING DAVID HIGH SCHOOL (CONTINUED)**

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Governors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Governors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of governors

As explained more fully in the Governors' responsibilities statement, the Governors (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE
KING DAVID HIGH SCHOOL (CONTINUED)**

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable group operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102), Companies Act 2006, Academies Accounts Direction and the Academy Trust Handbook. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable group's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable group for fraud. The key laws and regulations we considered in this context were General Data Protection Regulation, health and safety legislation, Ofsted and employee legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquire of the Trustees and other management and inspection of regulatory and legal correspondence, if any. We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Board about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the ESFA, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's report.

KING DAVID HIGH SCHOOL (CONTINUED)**

Use of our report

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE KING DAVID HIGH SCHOOL AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 24 October 2021 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The King David High School during the year 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The King David High School and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The King David High School and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The King David High School and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of The King David High School's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of The King David High School's funding agreement with the Secretary of State for Education dated 17 August 2011 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO THE KING
DAVID HIGH SCHOOL AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies

GENERAL INFORMATION

The King David High School is a private limited company by guarantee without share capital, registered in England (No. 07716057).

The address of the registered office is Eaton Road, Crumpsall, Manchester.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.2 Going concern

The Governors assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future.

To mitigate the impact of the reduction of funding from ESFA upon which the academy is heavily reliant, the academy is attempting to derive income from alternative sources. Considerable focus and investment is placed on maintaining and managing key relationships with the ESFA.

In assessing going concern the Governors have considered the effects of the the war in Ukraine. This has had an immediate impact on the rising energy prices, which have been factored in when preparing budgets and forecasts. Funding from the ESFA has been received as planned and this was supplemented by donations from King David Schools (Manchester) and other extremely generous donors.

The Governors have received an informal indication of intended support from the Trustees of the school's charity

The Governors, in conjunction with the Charity Trustees, are considering a number of fundraising opportunities to recover the deficits going forward. In addition, the governors will review the cost base in the medium term.

During the period, the Department for Education issued the academy with a termination warning notice. At the date of signing the financial statements, this notice remained in place and there is therefore uncertainty over the future funding of the Academy until such an event as the warning notice being withdrawn. The Governors have a reasonable expectation that the necessary actions are being taken for the notice to be withdrawn. The trust understands that the termination warning notice is likely to be replaced with a 'notice to improve' after representatives have met with the Regional Schools' Director in the New Year. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements, but a material uncertainty does exist.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.3 Income

All incoming resources are recognised when the academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

• **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

• **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the academy has provided the goods or services.

• **Donated goods, facilities and services**

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in 'Stocks' and 'Income from Other Trading Activities'. Upon sale, the value of the stock is charged against 'Income from Other Trading Activities' and the proceeds are recognised as 'Income from Other Trading Activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from Other Trading Activities'.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.4 Expenditure (continued)

• **Charitable activities**

These are costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Tangible fixed assets

Assets costing £10,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Freehold property	- 50 years
Short-term leasehold property	- 5 years
Furniture and equipment	- 10 years
Computer equipment	- 5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.9 Financial instruments

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 13. Prepayments are not financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 14. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.10 Pensions

The academy operates a defined contribution pension scheme and the pension charge represents the amounts payable by the academy to the fund in respect of the year.

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

1.12 Agency arrangements

The academy trust acts as an agent in distributing funds for the ESFA to sixth form students in the form of the 16-19 Bursary. Bursary funding is received from the ESFA and subsequent payments are made to pupils subject to the completion of an application form. These are excluded from the Statement of Financial Activities as the trust does not set the conditions for the award of grants to students. The funds received and any balances held are disclosed in note 27.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

1. Accounting policies (continued)

1.13 VAT accounting

The Finance Act 2011 put in place a special scheme whereby Academies are able to reclaim input VAT on their non-business activities directly from HMRC. Expenditure is accounted for net of input VAT in the year.

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Local Government Pension Scheme

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 21, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Tangible Fixed Assets

The Freehold Property used by The King David High School is owned by the King David Schools (Manchester) Trust. The trustees of the King David Schools (Manchester) Trust have granted the Academy the right to use the land and buildings for educational purposes under a license to occupy. Therefore the building has not been recognised in these accounts in line with the Academies Accounts Direction 22/23.

The donation of £849,911 is the amount of rent provided free of charge from King David Schools (Manchester). The figure recognised has a matching expense in support costs and has been calculated using a commercial rate of rent of £13.58 per sq ft applied to the area of the school owned by the King David Schools (Manchester) but occupied by the academy. The donation and rental expense represents the estimated market value of the benefit enjoyed by the school from its use of the premises. Debtors include £849,911 which represents the prepaid expenditure for the two year notice period included with the lease from King David Schools (Manchester) to the Academy.

	<u>92</u>	<u>108</u>

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

9. Staff (continued)

c. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2023	2022
	No.	No.
In the band £60,001 - £70,000	1	1
In the band £70,001 - £80,000	1	1

d. Key management personnel

The key management personnel of the academy comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy was £280,972 (2022 - £185,799).

10. Governors' remuneration and expenses

One or more Trustees has been paid remuneration or has received other benefits from an employment with the academy. The principal and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Trustees' remuneration and other benefits was as follows:

	2023	2022
	£	£
Mr B Levy, Head Teacher	Remuneration	45,000 - 50,000
	Pension contributions paid	10,000 - 15,000
Mr J Dalziel, Head Teacher	Remuneration	75,000 - 80,000
	Pension contributions paid	15,000 - 20,000
Miss C Downes, staff governor	Remuneration	25,000 - 30,000
	Pension contributions paid	5,000 - 10,000

During the year ended 31 August 2023, no Trustee expenses have been incurred (2022 - £NIL).

11. Governors' and Officers' insurance

The academy has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

21. Pension commitments

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Hymans Robertson LLP. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020 and of the LGPS to the period ended 31 March 2022.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

The School participates in the Teachers' Pension Scheme ("the TPS") for its teaching staff. The pension charge for the year includes contributions payable to the TPS of £650,467 (2022: £615,817).

The TPS is an unfunded multi-employer defined benefits pension scheme governed by The Teachers' Pensions Regulations 2010 (as amended) and The Teachers' Pension Scheme Regulations 2014 (as amended). Members contribute on a "pay as you go" basis with contributions from members and the employer being credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The employer contribution rate is set by the Secretary of State following scheme valuations undertaken by the Government Actuary's Department. The most recent actuarial valuation of the TPS was prepared as at 31 March 2020 and the Valuation Report, which was published in October 2023.

Following the McCloud judgement, the remedy proposed that when benefits become payable, eligible members can select to receive them from either the reformed or legacy schemes for the period 1 April 2015 to 31 March 2022. The actuaries have assumed that members are likely to choose the option that provides them with the greater benefits, and in preparing the 2020 valuation have valued the 'greater value' benefits for groups of relevant members.

The valuation confirmed that the employer contribution rate for the TPS would increase from 23.6% to 28.6% from 1 April 2024. Employers are also required to pay a scheme administration levy of 0.08% giving a total employer contribution rate of 28.68%.

THE KING DAVID HIGH SCHOOL
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2023

21. Pension commitments (continued)

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2023 was £83,000 (2022 - £89,000), of which employer's contributions totalled £62,000 (2022 - £67,000) and employees' contributions totalled £ 21,000 (2022 - £22,000). The agreed contribution rates for future years are 19.1 per cent for employers and 5.5 - 8.5 per cent for employees.

The LGPS obligation relates to the employees of the academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions

	2023	2022
	%	%
Rate of increase in salaries	3.80	3.95
Rate of increase for pensions in payment/inflation	3	3.2
Discount rate for scheme liabilities	5.20	4.25

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2023	2022
	Years	Years
<i>Retiring today</i>		
Males	20.1	20.3
Females	20	23.2
<i>Retiring in 20 years</i>		
Males	20	21.6
Females	24.2	25.1

24. Related party transactions

Owing to the nature of the academy and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trustees have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academy Trust Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

All recharges between related parties take place on an 'at cost' basis.

The following transactions have taken place between King David High School and the following organisations in which a member of the governing body has a non pecuniary interest.

King David Schools (Manchester), is an unincorporated charity whose Trustee Company, KDS Trustees Limited, the King David Primary School and the King David High School have a number of common Trustees/Directors.

King David Schools (Manchester) owns, via its legal title the land and buildings in which the schools currently occupy and allows the schools to operate from the site under a formal 'License to occupy'.

During the year donations amounting to £512,900 (2022: £927,054) were received from King David Schools (Manchester) to fund the operations of the school. In addition, a donation for rent in kind of £849,912 (2022: £809,440) was also received from King David Schools (Manchester).

During the period, the High School was recharged for expenses amounting to £280,492 (2022: £99,499) by King David Schools (Manchester), a charity with which the school has common trustees.

During the period, the King David High School recharged expenses to King David Primary School, an Academy with which the High School has common governors. These recharges were made on an arm's length basis to the amount of £167,091 (2022: £84,541). The balance at the year end was £40,912 (2022: £5,058).

Payments of £Nil (2022: £590,704) were made to King David Resources Limited (KDR Ltd), a company with which the academy has common directors/members, for utilisation of the staff of KDR Ltd for religious education and SEN teaching. This has been provided at cost.

25. AGENCY ARRANGEMENTS

The academy trust distributes bursaries to sixth form students on behalf of the ESFA. All amounts held as at 31 August 2023 are recorded within other creditors.

In the year to 31 August 2023, funding received from the ESFA was £9,315 (2022: £29,652) and the amount of bursaries paid was £9,315 (2022: £29,652), resulting in a balance held at 31 August 2023 of £Nil (2022: £Nil).
