Dear Professional Mentor

MMU ITE Partnership Quality Development

On behalf of MMU, I would like to thank you for your participation in the MMU Secondary Initial Teacher Education Quality Development Process.

A Partnership Tutor visited your school to review the SBT provision as a valued partnership provider. During the visit discussions focussed on several areas including:

- The quality of school based training programmes.
- The quality and consistency of Professional and Subject Mentor training.
- The Accuracy of Assessment against the Teachers Standards.

I am pleased to inform you that your school has been accredited as an Advanced Partnership School. A certificate celebrating this achievement is enclosed with this letter.

Once again, we would like to thank you for your dedication and commitment to supporting the ITE programme at MMU. We look forward to welcoming you to future networking events and training opportunities.

Should you require any further information or would like any support in training new subject mentors or developing the skills of your existing mentors in the future please do not hesitate to contact your Partnership Tutor.

We look forward to continuing to work in partnership with you.

Yours faithfully
