Don't add strangers online
as you don't know their
age, or who they are.

#PlayYourPart in creating a better internet

If someone is being mean or rude online, always report it to an adult.

Don't befriend people you don't know online.

Don't use your real name for your username in games. Use a random name for your username, but put something you'll remember.

Report and block if being harassed online.

If there is someone who is hacking, scamming, exploiting you in a game online, you should first report about what they did wrong. Then block them. This software support department will gather that information and ban them from the game.

#PlayYourPart in creating a better internet

Don't add strangers
or play or talk to
strangers in an online
game.

Don't let hate, discrimination get to you online.

For people who are trying to put you down online, just don't let them get to you.

You're better than them and stronger mentally.

Report any harmful comments to an adult.
